The common area means and refers to all non-residential lots and areas, which are shown on any recorded final subdivision plat within any portion of Cooper Farms, together with all recreational facilities and other improvements owned or to be owned by the Recreational Association. Although constructed in an area dedicated to public use, the entranceway to Cooper Farms is also part of the common area subject to maintenance by the Community Association. The right of enjoyment is subject to the following provisions:

(a) The right of either or both of the Community Association and the Recreational Association to borrow money for the purpose of improving the common area or for constructing, repairing or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a mortgage conveying all or a part of the common area;

(b) The right of the Community Association to dedicate or transfer all or any part of the common area to any public agency, authority or utility for such

Developer shall be responsible for the maintenance costs of the Community Association and the Recreational Association, incurred over and above assessed amounts payable to the Community Association by the lot owners, until Developer transfers control of the Community Association and the Recreational Association. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 5. Purpose of Assessments.

(a) The assessments levied by the Community Association and the Recreational Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose, or for the use and enjoyment of the common area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, payment of taxes assessed against the common area, the procurement and maintenance of insurance in accordance with the Bylaws, the employment of attorneys to

This provision shall not be amended without approval from the Louisville Metro Planning and Design Services.

(b) Until Class B membership of the Community Association and the Recreational Association ceases and is converted to Class A membership pursuant to Section 13 of this Article IV, Developer or its nominees shall administer the assessments and receipts therefrom, which may only be used for purposes generally benefiting Cooper Farms, as permitted in this Declaration.

Section 6. Maximum Annual Assessment. The Boards of Directors of the Community Association and the Recreational Association may fix their respective annual assessments at an amount not in excess of the maximum established year to year by each of the Boards of Directors. The Boards of Directors shall determine when the assessments shall be paid.

Section 7. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, both the Community Association and the Recreational Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, including fixtures and personal property related thereto. Any such assessment shall have the assent of the members of the Community Association or the Recreational Association, as the case may be, in accordance with the Bylaws.

Section 8. Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all lots except those owned by Developer. The Board of Directors may at its discretion waive the assessment for any year or part of a year for any lot not occupied as a residence.

Section 9. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall begin as to any lot subject to the assessment at the time the lot is occupied as a residence. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year when the lot is first occupied as a residence.

Section 10. Effect of Nonpayment of Assessments; Remedies of the Community Association. Any assessment not paid by the due date shall bear interest from the due date at the maximum rate of interest then allowable by Kentucky law. The Community Association or the Recreational Association, as the case may be, may bring

an action at law against the owner personally obligated to pay the assessment, or foreclose the lien against the property, and interest, costs and reasonable attorney fees of such action or foreclosure shall be added to the amount of such assessments. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien or liens provided for in the preceding sections. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien.

Section 12. Membership. Developer and every owner of a lot which is subject to an assessment shall be a member of both the Community Association and the Recreational Association. Such owner and member shall abide by each Association's Bylaws, Articles of Incorporation, rules and regulations, shall pay the assessments provided for in this Declaration, when due, and shall comply with decisions of each Association's Board of Directors. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment.

Section 13. Classes of Membership. The Community Association and the Recreational Association shall each have two classes of voting membership:

(a) Class A. Class A members shall be all lot owners, with the exception of Developer, and shall be entitled to one vote for each lot owned.

(b) Class B. The Class B member shall be Developer. Developer shall be entitled to ten votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(ii) When ninety percent of the lots which may be developed on the property described in Article I have been sold by Developer.

Section 14. Common Area Maintenance. Anything to the contrary herein notwithstanding, the Community Association and where applicable the individual lot owners shall be responsible for the maintenance of all common open space, private roads, islands in the right-of-way, and signature entrances so long as the subdivision is used as a residential subdivision or until properly dedicated to a unit of local government. This

section may not be amended without approval of the Louisville Metro Planning and Design Services.

Section 15. Dedication of Common Elements. Common areas, open space, private roads, islands in the right-of-way, and signature entrances shall not be dedicated to a unit of local government without the acceptance of the unit of local government involved and the approval of the Louisville Metro Planning and Design Services. This section may not be amended without approval of the Louisville Metro Planning and Design Services.

ARTICLE V – GENERAL PROVISIONS

Section 1. Enforcement. Enforcement of these restrictions shall be by proceeding at law or in equity, brought by any owner or by Developer against any party violating or attempting to violate any covenant or restriction, either to restrain violation, to direct restoration, and/or to recover damages. Failure of any owner or Developer to demand or insist upon observance of any of these restrictions, or to proceed for restraint of violations, shall not be deemed a waiver of the violation, or the right to see enforcement of these restrictions.

Section 2. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.
