Such lien may be enforced by foreclosure against that lot and the improvements thereon, but such lien shall be subordinate to any first mortgage thereon.

Section 7. Mail and Paper Boxes, Hedges. Mail boxes and paper holders shall be Developer's standard. No hedge shall be placed or planted on any lot unless its design and place of planting are approved in writing by Developer.

Section 8. Developer's Right to Waive Restrictions. Anything contained in the foregoing notwithstanding, until such time as residences have been constructed on all building lots in the various sections of Cooper Farms Subdivision, Developer, or its successors and assigns, may waive any of the foregoing restrictions in the event the enforcement of same would create a hardship because of the topography of any of said lots, or in the event that enforcement of same would create an undue burden on the purchaser of any particular residence. Any such waiver shall be within the sole and absolute discretion of the Developer.

ARTICLE IV – COMMUNITY AND RECREATIONAL ASSOCIATIONS

Section 1. Definitions. As used in this Declaration the following terms shall have the meanings set forth below:

- (a) "Community Association" shall mean Cooper Farms Community Association, Inc., a Kentucky non-stock, nonprofit corporation.
- (b) "Recreational Association" shall mean Cooper Farms Recreational Association, Inc., a Kentucky non-stock, nonprofit corporation.

Section 2. Owners' Easements of Enjoyment. Every owner shall have a right and easement of enjoyment in and to the common area which shall be appurtenant to and shall pass with the title to every lot. The common area means and refers to all non-residential lots and areas, which are shown on any recorded final subdivision plat within any portion of Cooper Farms, together with all recreational facilities and other improvements owned or to be owned by the Recreational Association. Although constructed in an area dedicated to public use, the entranceway to Cooper Farms is also part of the common area subject to maintenance by the Community Association. The right of enjoyment is subject to the following provisions:

- (a) The right of either or both of the Community Association and the Recreational Association to borrow money for the purpose of improving the common area or for constructing, repairing or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a mortgage conveying all or a part of the common area;
- (b) The right of the Community Association to dedicate or transfer all or any part of the common area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Community Association. Developer may dedicate utility or service easements at its sole discretion so long as there is in existence the Class B membership in accordance with Section 13 of this Article IV, and so long as additions are permitted under Article I, Section 2.

Common areas, open space, private roads, islands in the right-of-way, and signature entrances shall not be dedicated to a unit of local government without the acceptance of the unit of local government involved and the approval of the Louisville Metro Planning and Design Services. This provision shall not be amended without approval from the Louisville Metro Planning and Design Services.

Section 3. Community Association's Right of Entry. The authorized representative of the Community Association of the Board shall be entitled to reasonable access to the individual lots as may be required in connection with the preservation of property on an individual lot or in the event of an emergency or in connection with the maintenance of, repairs or replacements within the common area, or any equipment,

facilities or fixtures affecting or serving other lots or the common areas or to make any alteration required by any government authority.

Section 4. Assessments; Creation of the Lien and Personal Obligation. Each lot owner, except Developer, by acceptance of a deed for the lot, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Community Association and the Recreational Association (i) monthly and annual assessments or charges, and (ii) special assessments for capital improvements, such as assessments to be established and collected as provided in this Article IV. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 5. Purpose of Assessments.

The assessments levied by the Community Association and the Recreational Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose, or for the use and enjoyment of the common area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor equipment, materials, management and supervision, payment of taxes assessed against the common area, the procurement and maintenance of insurance in accordance with the Bylaws, the employment of attorneys to represent each Association when necessary, and such other needs as may arise, and for the improvement and maintenance of the common area.

Anything to the contrary herein notwithstanding, the Community Association (and the lot owners) shall be responsible for the maintenance of all common open space, private roads, islands in the right-of-way, and signature entrances, so long as the subdivision is used as a residential subdivision or until properly dedicated to a unit of local government. This provision shall not be amended without approval from the Louisville Metro Planning and Design Servicer.

Section 6. Maximum Annual Assessment. The Boards of Directors of the Community Association and the Recreational Association may fix their respective annual assessments at an amount not in excess of the maximum established year to year by each of the Boards of Directors. The Boards of Directors shall determine when the assessments shall be paid.

Section 7. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, both the Community Association and the Recreational Association may levy, in any assessment year, a special assessment

applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, including fixtures and personal property related thereto. Any such assessment shall have the assent of the members of the Community Association or the Recreational Association, as the case may be, in accordance with the Bylaws.

Section 8. Uniform Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all lots except those owned by Developer. The Board of Directors may at its discretion waive the assessment for any year or part of a year for any lot not occupied as a residence.

Section 9. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall begin as to any lot subject to the assessment at the time the lot is occupied as a residence. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year when the lot is first occupied as a residence.

Section 10. Effect of Nonpayment of Assessments; Remedies of the Community Association. Any assessment not paid by the due date shall bear interest from the due date at the maximum rate of interest then allowable by Kentucky law. The Community Association or the Recreational Association, as the case may be, may bring an action at law against the owner personally obligated to pay the assessment, or foreclose the lien against the property, and interest, costs and reasonable attorney fees of such action for foreclosure shall be added to the amount of such assessments. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the common area or abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien or liens provided for in the preceding sections. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien.

Section 12. Membership. Developer and every owner of a lot which is subject to an assessment shall be a member of both the Community Association and the Recreational Association.
